Coaches Report - Carmine Lauriello

Round 5 - Salisbury 0 - Modbury 0

After a weekend of mixed emotions from winning 7-3 against Port Lion then 2 days later losing to Adelaide hills, we needed to regroup and refocus on the derby v Modbury, who were unbeaten.

Added to that, we lost some influential players against the Hills, that being Jamie Antonucci (red card), Farhad Brigani and Todd Leahy subject to injuries. This meant Anthony Gbojueh slotted into the stopper role and Brett Vingerhoets was moved into midfield to partner Eric Camarihna.

The game had barely started when in the 7th minute we lost Kieran Dunkley after he was struck hard in the face with the ball sending him into the middle of the next week. This brought a reshuffle in the line up again, sending Brett Vingerhoets into defence and Mahmoud Ahmadi into the middle of the park. To say we destroyed Modbury was an understatement, and for that the opponents walked away with a smile on their face because of some outstanding goalkeeping from the opposition and our inability to convert when good opportunities were presented - they were gifted a point.

The team played some great soccer on the day; it was a shame not to get the 3 points Dino Kristo had a great game, working hard in attack and defence. It was hard to pick the best players as everyone contributed.

Round 6 - Northern Demons 2 - Salisbury 3

Always difficult to win in Port Pirie, and since Rocky and I have been at the club we have never won there. Full credit to the players for the win. Once again there were positional changes due to player's unavailability. We welcomed back Todd Leahy , who made a great recovery after a nasty tackle against Adelaide Hills which saw him miss the Modbury game ,and the way it was looking he was set to miss more. Peter Ndayarata who had several great games was also missing due to personal reasons. This gave opportunities to several up and coming youngsters Anthony Bullock and Daniel Luciano who got their first taste of league action, something they will remember for a long time.

With the pitch being difficult to play soccer there was some good soccer in patches from the team. There were a lot of half chances, and it was in the 39th minute when Aaron Tave controlled an inside pass ball from Mahmoud Ahmadi, and he dually

smashed to the keeper's right after a slight deflection off the defender. Aaron Taye, who was having a fine game, then turned provider in the 47 minute of the first half, when he lopped a ball over to the incoming Andrew Kaine who calmly guided the ball with his head over the advancing keeper. We went into the break feeling confident that we could extend our lead, and that's exactly what happened 2 minutes into the second half, when Andrew Kaine passed a ball to Aaron Taye, who with the coolest of touches slotted the ball to the left of the helpless keeper. Aaron missed a chance to get his hat trick and put the game out of reach, but the opposition had other ideas. In the 60 min Matthew Bekirovski was taken off due to injury and Luke Storti came into his place. In the 67 minute Todd Leahy was substituted due to precaution plus he received a yellow earlier in the game. Young Anthony Bullock got his chance with 25 remaining.

It was from a corner that the Demons tamely slotted the ball into the net. I say tamely as we had the opportunities to clear the loose ball in the box. With hardly a threat and our players not being ruthless enough, we gave the opposition a sniff.

The referee who was having a good game, but must have been sniffing something when he pointed to the spot for an Academy and Oscar award winning dive in the 87 minute. They didn't miss.

We lost our way for periods in the second half, although substitute Anthony Bullock missed a golden chance to score his first goal, before the opposition mounted their late comeback.

Young Daniel Luciano got a taste of senior football late in the second half, a reward for some good performances in the reserves and under 19's.

Aaron Taye had a great game and was dually assisted by Andrew Kaine and defender Anthony Gbojueh who were also in the best players.

Overall not one of our better games, soured by allowing two silly goals when a clean sheet was clearly evident, but we did the job getting the three points, and enjoyed a good trip home.

Even an hour / week will make a noticeable difference
Thank you!!!**
